

Agnus Dei (Christmas - A)

By Rev. John C. Stennfeld

Theme: Christmas

Tune Meter: LM

Suggested Tune: Puer Nobis

The Lamb of God who takes away
The sins of man has come today,
So let us praise him for his grace,
Till we, in heav'n, behold his face.

He is the promised one of old,
The one the prophets had foretold,
The Son of God sent from above,
To fill our lives with God's great love.
