

Oh Lord Give Me a Heart of Faith

By Rev. John C. Stennfeld

Theme: Perseverance, Faith

Tune Meter: CM

Suggested Tune: Dundee

Oh Lord, give me a heart of faith,
And let it grow each day;
That come what may I cling to you,
And never fall away.

Give me the strength to hold on tight
And never to let go,
To trust in you through troubled times,
That life, with you, I'll know.

And should this world's deceptive ways
Tempt me to stray from you,
Then seek me, find me, lead me home;
Restore my faith anew.

Relentless be my hope and faith
In God my strength, my shield;
That I stand firm when troubles come,
And that I never yield.

On Christ the solid Rock I stand,
Yes Lord, I know it's true;
For nothing on my own I am,
My only hope is you.
